Re: Legal Services

Dear Nels:

I write to express my interest in continuing to serve as legal counsel for the Ithaca Urban Renewal Agency.

I served as City Attorney for the City of Ithaca for four years, from 1996 through 1999, and have provided legal services to the IURA since 2000. I have performed extensive legal services for the IURA with regard to federally funded projects and various land acquisition and disposition projects, including real estate title work and closings, and have reviewed or drafted numerous loan agreements and contracts. I have also performed legal research and issued legal opinions on a variety of legal issues affecting the IURA. I have a thorough understanding of the legal requirements of the agency, as well as its legal relationship with the City of Ithaca and the role of each of the entities in various projects, such as land acquisition and disposition. As City Attorney, I also handled a wide array of legal matters for the City, both internally and on an intermunicipal level. I have previously served as legal counsel for the Tompkins County Industrial Development Agency, the Town of Ulysses, and the Villages of Cayuga Heights and Freeville, providing wide-ranging, general legal services.

I will perform the legal services for the IURA, assisted by my paralegal, Allison Myers. She is a highly skilled paralegal who has worked with me for over thirty years and is also very familiar with IURA transactions and documents. Her time is billed at a lower rate, resulting in cost savings to the IURA when I assign tasks to her and review her work.

Over the more than twenty years of my representation of the IURA, I have billed the IURA at rates ranging from 83% to 67% of my regular hourly rates. A history of my billing rates is attached.

For the 2026-2027 contract year, I propose hourly rates for the IURA of \$250.00 for my time – about 71% of my regular rate – and \$165.00 per hour for my paralegal's time.

REQUEST FOR PROPOSALS (RFP)

— LEGAL SERVICES —

December 22, 2025

Background

The Ithaca Urban Renewal Agency (IURA) seeks up to three firms or individuals to provide legal services on an independent contractor basis. The IURA has budgeted \$15,000 for legal services in 2026. Contract extensions of up to three years with the selected contractors may be negotiated in the future, based on this RFP, subject to applicable procurement regulations and the needs of the IURA. The amount of contracted services for future years may increase or decrease.

The IURA is a public benefit corporation established as an urban renewal agency by New York State that administers the City of Ithaca's U.S. Department of Housing & Urban Development (HUD) Entitlement grant program, undertakes urban renewal activities, and carries out community development programs.

The Agency's mission is:

... to secure and manage resources to improve the social, physical and economic characteristics of the City of Ithaca by expanding access to quality affordable housing, strengthening neighborhoods and the local economy, and supporting other community development activities. The IURA is committed to carrying out its mission in an equitable and sustainable manner, and to build and maintain an inclusive community with the input of the people and organizations we serve.

The IURA administers approximately \$1 million annually through the HUD Entitlement Program for which approximately 20 grant and loan agreements are executed and manages compliance for over 60 projects. Urban renewal activities involve the negotiated sale or lease of real property. Several housing and economic development initiatives, including a small business loan program make up the IURA's community development programming.

	100%

The IURA will select, at its option, up to three contractors with which to enter into an agreement for services. The selection will be made in rank order.

4. Identification and resumés of person(s) who will provide services.
5. Names and contact information for references, if the respondent has no past record of services to the IURA within the past five years.
6. Schedule of costs for services to be provided, including hourly rates, identification of categories of anticipated reimbursable expenses, and method of calculation of reimbursable expenses.

Background

The Law Office of Sharon M. Sulimowicz has been in existence since 2006. Prior to opening her own practice, Attorney Sulimowicz was a partner at the local law firm of Thaler and Thaler. Prior to that, Attorney Sulimowicz was an associate at the Syracuse law firm of Bond, Schoeneck & King, LLP.

Currently, the law firm consists of Attorney Sulimowicz, who has been licensed to practice law in the State of New York since 1996. She has five (5) full time staff including four (4) legal assistants.

The firm is also licensed as examining counsel for Stewart Title Insurance Company.

The firm has previously been retained to represent Tompkins County in real estate and real estate-related transactions.

Approximately 20% of the firm's work is related to business formation and advising, which often includes contract drafting/reviewing on behalf of clients.

The firm's work with AFCU often involves transactions that include Ithaca Neighborhood Housing Services (INHS) and the firm often works closely with INHS in closings where INHS is a lender and sometimes the seller. The firm has also assisted Habitat for Humanity clients in their real estate purchases at a significantly reduced rate.

In that regard, we would be willing to perform whatever legal research is necessary to educate ourselves on a complex issue at no cost to the IURA.
