In-Person Hybrid Meetings: The IURA no longer conducts Public Meetings exclusively remotely. Meetings must be conducted in person, complying with NYS Open Meeting Law (OML), which applies to all IURA Board and Committees. Members of the public who would like to deliver VERBAL comments at a meeting (3-min. max.) are *strongly encouraged* to do so using the Zoom link and log-on credentials listed on the agenda, although they are welcome to do so in person at City Hall. WRITTEN public comments may be submitted before the meeting, using the instructions listed on the agenda. Pls. refer to the [IURA Public In-Person/Hybrid Meetings Policy](#) for more detailed information and further instructions. LIVE-STREAM VIDEO: A *non-interactive* YouTube live-stream of the meeting can also be viewed at: https://www.youtube.com/channel/UC7RtJN1P_RFaFW2lVCnTrDg. Because of a slight delay in launching the live-stream, the video may begin a few minutes before the meeting is formally convened.

AGENDA

IURA Neighborhood Investment Committee (NIC) 9:00 a.m., Thursday, February 12, 2026

IN-PERSON/HYBRID MEETING

(public, staff, & presenters may join remotely)

Common Council Chambers (Third Floor) | 108 E. Green St. | Ithaca, NY 14850

Join Zoom Meeting:

<https://us02web.zoom.us/j/82348267854?pwd=OTRDWFVnV3BMeHpWTW5aSUxLcFpaQT09>

DRAFT MINUTES

ITHACA URBAN RENEWAL AGENCY (IURA) NEIGHBORHOOD INVESTMENT COMMITTEE (NIC)

9:00 A.M., January 8, 2026

Council Chambers, City Hall, Ithaca, NY

Recording of Meeting:

[meeting recording link TBD]

In attendance: Karl Graham, Vice Chair; Fernando de Aragón; Steve Williams; Mary Baker

Excused: Shaianne Osterreich, Chair

Staff: Anisa Mendizabal, Community Development Planner

Guest(s): Liddy Bargar, Director of Housing Initiatives, Tompkins County Human Services Coalition (HSC)

I. Call to Order

Vice Chair Graham called the meeting to order at 9:07 a.m.

II. Changes/Additions to Agenda

None.

III. Public Comments (if any)

None.

IV. Review of Minutes: December 2025

Motion by Graham, second by Baker. **Approved 4 – 0.**

V. New Business

A. Continuum of Care Updates

Liddy Bargar, HSC Director of Housing Initiatives staffs the Tompkins County (TC) Continuum of Care (CoC). Nels Bohn, IURA Director of Community Development, co-chairs the TC CoC with Cindy Wilcox, HSC Executive Director. She joined to discuss developments in the CoC landscape following HUD's policy changes.

The TC CoC is a local community planning network of public, private, and non-profit partners with the mission of making homelessness rare, brief, and one-time in Tompkins County. CoCs exist across the nation to build and maintain homeless response systems. CoCs collect data for reporting to HUD. Progress toward CoC goals are called System Performance Measures (SPMs). Ms. Bargar's presentation included local SPMs. **Her presentation deck is included at the end of these Minutes.**

Examples of local SPMs: Measure 1: Length of homelessness in TC has increased 20% since 2022 but has decreased 16% since 2023. Measure 5: First-time homelessness has decreased 12% since 2022.

CoCs apply for funding from HUD by responding to its Notice of Funding Opportunity(s) (NOFO). Each NOFO names the priorities for that funding cycle. It is a competitive process. In 2024, Congress directed HUD to issue a NOFO that would fund two years of programming because responding to the NOFO is a large undertaking for CoCs. Awards for the 2024 NOFO competition were announced with TC CoC doing very well in the 2024 NOFO-- all aspects of its proposal(s) were funded. This achievement reflects the work being done in the community.

In July 2025, HUD revoked the prior announcement and notified CoCs that a different NOFO would be issued that reflected the current Administration's policies. The new NOFO, with new priorities and a new tiering system was announced in November 2025. Only 30% of projects can be Permanent Supportive Housing (PSH). In TC, 88% of the projects are PSH, a reduction of 53% locally. Under new priorities, (older) models like transitional housing or support services-only were what CoCs could apply for. Nonprofits and twenty-one states' attorneys general have undertaken lawsuits enjoining the NOFO revocation/reissuance. Currently, the re-issued competition is paused while the lawsuit is in progress. Locally, the Administration's proposed changes to the HUD NOFO would impact the following groups the most: current residents of PSH; youth under age 25; people with disabilities; staff working in housing.

Baker asked (~21:50) how "disabilities" are being defined and how it affects people, especially those under 25. Bargar responded that historically the definition has included mental, behavioral (substance use disorder – SUD), and physical disabilities, HIV+/AIDS, and some other conditions. One of the major changes of the NOFO is how the definition of "disability" was changed – now includes only people over 62 and not necessarily the above. Bargar's presentation includes a slide showing disability status of individuals in emergency shelter—mental health disorders (35%) and SYD (22%) are the most prevalent. Bargar also noted (~30:40) that data show when individuals experienced repeated episodes of homelessness, the severity/number of their

disabilities increased. Developmental disabilities are likely to be underreported—there is an opportunity here to do better. Baker concurred that early diagnosis is key. If a disability is not noticed early, it is harder (and less likely) to be diagnosed and treated later. Services, where they exist, are hard to get (even with diagnosis). Poor outcomes for the individual, such as eventual homelessness beginning in youth, are not unlikely.

[According to CoC analysis, HUD’s proposed changes would result in 60 lost PSH beds at such sites as Chartwell, Magnolia House, Amici House, SJCS permanent housing, and others.]

B. Adjustments to 2025 Project #15 “Work Preserve: Job Readiness” (~58.25)

Mendizabal shared updated information from Historic Ithaca (HI) about its Work Preserve (WP): Job Readiness program. HI asked for and received an extension in submitting its Commitment paperwork [see below for background on what Commitment Materials are] for accepting 2025 CDBG funding for its Readiness program while its Board and Executive Director worked through details. It was received on December 31, 2025.

Background: What Commitment Materials (paperwork) Are: A letter to AAP grantee saying that IURA has committed x amount of funding, and asking the grantee to confirm that it wants the funding and agrees to serve the number of beneficiaries they have indicated (along with brief project description). The letter requests a variety of other pieces of information essential for creating the contract: a resolution from the grantee’s board accepting the information (to confirm the board is aware of the commitment), documentation of insurance coverage, an updated project budget (“Uses & Sources”), contact information who the grantee wants to review the contract, and some other things. Some of the items are relatively easy for the grantee to send, others may be more difficult. For example, the grantee’s board may not meet monthly. If they don’t, the grantee may need more time for the resolution. IURA needs the materials back within about 45-60 days in order to develop contract.

The 2025 HI Work Preserve applications (Job Placement, now cancelled, and Job Readiness) were prepared by HI Staff that are no longer with the agency. Executive Director Zach Lifton submitted a new program summary along with “right-sized” program outline to serve *up to* 15 students annually with job readiness only. However, with the reprogrammed funds from last month [\$3,000 for HI WP: Job Readiness], the beneficiary number will need to be 15 at minimum.

Graham noted the new program description still includes exposure to jobs in the field. How that looks now would be a good question to ask if they bring forward a 2026 application, Mendizabal noted.

HI has recently formed a partnership with New Roots in addition to working with BOCES, which helps them reach youth, albeit – as noted by Committee Members—both of those educational institutions serve young people who are not necessarily City Residents. Williams and Baker wondered how HI would reach City residents. Mendizabal indicated this needs to be underlined. They are required to serve a majority – 51% -- City residents and they need to be LMI.

C. Update – Common Council Legislative Policies

Included in the packet was a summary of the Common Council committee structure, as they exist now—these do not include the new Council members yet. This is for informational purposes only, showing the areas community development that Council is involved in—apart from IURA, but of potential interest to this Committee.

De Aragon noted that the County’s structured approach to including department heads in meetings of committees of the County Legislature – there was alignment between a department’s funded activities and the committees they reported to— which he found very effective. Mendizabal said there were similarities and differences in the City’s version. Yes, there are Common Councilmember liaisons to agencies/departments like IURA. On the staff side, staff members must bring forward information to the Council if there is an advisory committee for the topic being discussed. The City’s process does not seem as structured as the County’s, de Aragon observed. Baker said she’s experienced a lack of communication between departments, particularly relating to actions/activities planned by one that affects the other. Graham noted that NIC could invite the new Common Council liaison to IURA to the NIC meeting to discuss ideas for improving communication.

VI. Other Business

A. IURA Grants Summary

The November 2025 grants summary was included in the packet and Mendizabal provided the much-needed larger format version at Committee member places. She said that going forward she would provide hard copies of the meeting agenda and the large grant summary for everyone and asked that Committee Members let her know if they want anything else printed for them to refer to.

Mendizabal reached out to projects that are moving slower, as part of spenddown vigilance. FLRU reports being on schedule for expenditure of their 2024 funding; Mendizabal informed them they are free to voucher more often. INHS Homeowner Rehab has been able to do two emergency boiler

replacements this winter so far and has a third project in the pipeline—they are doing a lot to try to close out their project. BHU may have a voucher underway; BHU and The Village [fiscal sponsor] may have had a disconnect but the first reimbursement was accomplished. Mendizabal didn't hear back from DICC about the status of the ADA doors, which is unusual. Work Preserve has been covered in prior discussion.

After last night's public hearing on the matter, Common Council adopted the Substantial Amendments put forward in November 2025 for SSCC Fire Panel, Cass Park, and INHS 215 Cleveland Ave, so Mendizabal will inform those grantees.

[Discussed under Staff Report but relevant in this section.] The Cecil A. Malone project is complete but has not submitted its voucher yet. They've conferred with Bohn about cost documentation. Bohn is also in touch regularly with Shared Kitchen Ithaca (SKI).

B. Staff Report

Mendizabal reported briefly on the following:

City Planner Sam Quinn-Jacobs has been working on a publicly available dashboard that will show units of housing and affordable housing. Longtime desire of both staff and residents!

IURA Accountant, Kim Cook, is taking a job at the County. IURA is seeking a replacement.

VII. Adjournment

Adjourned at 10:26 a.m.

NY-510

ITHACA/TOMPKINS

CONTINUUM OF CARE

The **Mission** of our **Continuum of Care**

Ithaca/Tompkins CoC NY-510 is a local community planning network of public, private, and non-profit partners with the mission of making homelessness rare, brief, and one-time in Tompkins County.

Through this work, we:

Organize a community-wide effort to prevent and end homelessness

Provide funding and support to non-profit agencies

Promote access to supportive services and housing

ENDING HOMELESSNESS

The goal of every Continuum of Care is to build and maintain a homeless response system where experiences of homelessness are...

Rare

The community has ensured that homelessness among youth, families, single adults, veterans, and people experiencing chronic homelessness are all sustained below their functional zero threshold, which means that the actively homeless number is fewer than the six-month average of positive exits.

Brief

The average length of time from identification to move-in is 40 days or less.

One-time

Of all exits to permanent housing, no more than 5% of positive exits result in a return to the homeless system within two years of exit from the homeless system.

Equitable

The community has a demonstrated commitment and is tracking progress to reduce disparities in outcomes between groups experiencing homelessness.

NY-510 ITHACA/TOMPKINS CONTINUUM OF CARE

MEASURING PROGRESS

HUD collects data from Continuums of Care regarding their progress towards these goals, called System Performance Measures or SPMs.

Measure 1	Measure 2	Measure 3	Measure 4	Measure 5
Length of Time Persons Remain Homeless	The Extent to which Persons who Exit Homelessness to Permanent Housing Destinations Return to Homelessness	Total Number of Homeless Persons	Employment and Income Growth for Homeless Persons in CoC Program-funded projects	Number of persons who become homeless for the 1st time

Priorities for the FY2024 NOFO

END Priority 1	End Homelessness for all persons.	 Priority 6	Promote racial equity and address racial disparities.
 Priority 2	Use a housing first approach.	 Priority 7	Improve assistance to LGBTQ+ individuals.
 Priority 3	Reduce unsheltered homelessness.	 Priority 8	Engage people with lived experience/expertise of homelessness.
 Priority 4	Improve system performance.	 Priority 9	Build an effective workforce.
 Priority 5	Partner with housing, health, and service agencies.	 Priority 10	Engage in efforts to increase affordable housing supply.

Priorities for the 2025 NOFO

Priority #1:

Ending the Crisis of Homelessness in our Streets “CoCs should work with law enforcement, first responders, and their state and local governments to reduce encampments, public camping, and public drug use in order to address barriers to maintaining housing and increasing self-sufficiency.”

Priority #2:

Prioritizing Treatment and Recovery “CoCs should prioritize projects that provide the treatment and services people need to recover and regain self-sufficiency including on-site behavioral health treatment, robust wraparound supportive services, and participation requirements.”

Priority #3:

Advancing Public Safety “CoCs should cooperate with law enforcement to advance public safety for the entire community impacted by homelessness. No one should sleep outside on the street or in dangerous encampments, and everyone should be able to enjoy public spaces safely. HUD encourages CoCs to assist in preventing and minimizing the trauma associated with living on the streets or in encampments, especially for women and youth that are the victims of sexual assault and trafficking. Unchecked public camping and public illicit drug use inhibit nonprofit providers and local government from effectively addressing homelessness.”

Priority #4:

Promoting Self-Sufficiency “CoCs should partner with workforce development centers, employers, childcare, and other supportive service providers to increase employment and employment income for program participants. CoCs should prioritize projects that help lead to long-term economic independence for individuals and families to exit homelessness and prevent future returns to homelessness.”

Priority #5:

Improving Outcomes CoCs should review all projects eligible for renewal under this NOFO to determine their effectiveness in reducing homelessness and increasing self-sufficiency. CoCs should prioritize projects that promote self-sufficiency, increase employment income over government assistance, and promote treatment and recovery.

Priority #6:

Minimizing Trauma “CoCs should encourage providers to provide trauma informed care and ensure participant safety in programs, especially for youth and survivors of domestic violence, dating violence, sexual assault, and stalking. Women experiencing homelessness or domestic violence should have access to safe, single-sex spaces and other considerations for personal privacy.”

CHANGES IN THE FY24 NOFO

There are significant changes in this year’s NOFO that projects should consider before applying.

Two-year NOFO	Cost of Living Adjustments	Funding for specific subpopulations	Changes to tiering
HUD has issued a single 2-year NOFO for fiscal years 2024 and 2025. CoCs are only required to submit one CoC application that will be applicable to the FY2024 and FY2025 funds.	HUD is now authorized to make reasonable costs of living adjustments to renewal amounts to help afford increasing cost of operations due to inflation.	HUD requires funding reallocated from projects previously funded with YHDP or DV Bonus funding to be used for projects serving the same subpopulation. New DV Reallocation projects must be 100 percent dedicated to serving DV individuals and families.	Tier 1 is set at 90% of the CoC’s Annual Renewal Demand (ARD) for this NOFO.

CHANGES IN THE FY25 NOFO

There are significant changes in this year’s NOFO that projects should consider before applying.

Racial and LGBTQIA+ disparities no longer recognized

HUD reserves the right to reduce or reject a project application if they find evidence that the project previously or currently conducts activities to subsidize or facilitate racial preferences or other forms of “illegal discrimination” or conducts activities that rely on or otherwise use a definition of “sex other than as binary in humans.”

Harm Reduction no longer supported

Project applicants must certify that they will not operate drug injection sites or “safe consumption” sites, knowingly distribute drug paraphernalia, permit the use or distribution of illicit drugs, or conduct any of these activities under the pretext of “harm reduction.” HUD reserves the right to reduce or reject a project application if the projects conduct these activities.

Cap on Permanent Supportive Housing

No more than an amount equal to 30% of a CoC’s ARD can be used to fund Permanent Housing (Permanent supportive housing, rapid re-housing, and joint component). CoC’s will be forced to reallocate any permanent housing in excess of this limit to another type of project.

Changes to tiering

Tier 1 is set at 30% of the CoC’s Annual Renewal Demand (ARD)

What is the FY25 local opportunity?

\$1,557,290 Estimated ARD

\$311,458 CoC Bonus

\$66,730 DV Bonus

\$467,187 Tier 1

Serving people who meet HUD's definition of homelessness.

**How does that
compare to
last year?**

\$1,231,964 Tier 1

\$147,836 CoC Bonus

\$66,730 DV Bonus

Serving people who meet HUD's definition of homelessness.

What Could the Impact Be?

Continuum of Care-Level Analysis

HUD'S CUTS TO PERMANENT HOUSING WILL FORCE MORE THAN 170,000 PEOPLE BACK ONTO THE STREETS

A new decision by the U.S. Department of Housing and Urban Development will largely defund permanent housing programs for people experiencing homelessness in communities across the nation by imposing a cap of 30% on permanent housing. Currently, communities spend about 88% on permanent housing. These programs provide a lifeline for seniors, veterans, families, and people with physical and mental disabilities. While these cuts will affect every state in the country, not every community will be impacted the same. **Search for your community or state abbreviation in the table below.**

Q

NY-510

X

Continuum of Care	Currently: Percent of CoC Funding Dedicated to Permanent Housing	Currently: Percent of PSH Funded by the CoC Program	Currently: Percent of RRH Funded by the CoC Program	Projection: Loss in Funding for Permanent Housing Under New NOFO	Projection: Loss in Permanent Housing Beds Under New NOFO
	88%	43%	32%	\$2,103,447,818	175,884

Definitions

How do we define **homelessness**?

In our Continuum of Care, we follow HUD's definition of literal homeless which when an individual is sleeping in a place not meant for human habitation (outside, in a car, etc.) or in our emergency shelter through DSS. Individuals who are fleeing domestic violence are also considered homeless.

How do we define **chronic homelessness**?

An individual who has a disabling condition and has been continuously homeless for 1) at least 12 months or 2) had at least 4 occasions of homelessness totaling 12 months.

How do we define **permanent housing**?

Private or supportive housing where tenants can live indefinitely

How do we define **supportive housing**?

Affordable housing where the tenants have access to support services in addition to housing.

WASHINGTON, DC 20410-7000

December 30, 2025

FY24-25 CoC NOFO Implementation Plan

Pursuant to the Court’s order in State of Washington/NAEH v. HUD, Nos. 25-cv-626/25-cv-636 (D.R.I.), HUD publishes this report of steps needed to process renewals according to the FY24-25 Notice of Funding Opportunity for the Continuum of Care Competition. HUD will follow all applicable timelines and procedures laid out in the FY24-25 NOFO, including conducting threshold reviews and risk reviews for both renewals and reallocations. Consistent with the FY24-25 timeline, HUD anticipates announcing awards in May 2026.

I. Funding for Reopened FY24-25 CoC NOFO

- ☐ FY24 Carryover: The FY25 competition will include FY24 carryover funding of about \$5 million that must be obligated by September 30, 2026. FY24-25 NOFO (“NOFO”) Sec. I.A.1 at 3.
- ☐ Fair Market Rent: The FY24-25 NOFO uses FMR at the time of submission of application. FY26 FMRs are effective as of October 1, 2025, meaning FY26 FMR will be implemented. NOFO Sec. V.D.1 at 111.

II. Application Processing Steps and Timeline

- ☐ Reopening the FY24-25 CoC NOFO
 - o By January 6, 2026, HUD will reopen and post the FY24-25 CoC NOFO with an extended deadline to allow for all eligible renewals and reallocations. NOFO Sec. I.A.2–3 at 3–4; Sec. I.B.2.b.(24) at 19–20.
 - o On January 6, 2026, HUD will concurrently notify the public via listserv and website posting that the FY24-25 NOFO is reopened for renewals and reallocations while this Court’s preliminary injunction remains in effect and notify all prospective applicants of the relevant deadlines and anticipated award date, likely in May 2026, and that HUD reserves the right to implement a new NOFO if and when a court order does not preclude it from doing so. HUD will also promptly file a notice with the Court confirming that such communications were made.
- ☐ Application and Submission Information: HUD will accept eligible renewal project applications, YHDP renewal and replacement applications, and CoC reallocations to create new projects as described in the FY24-25 CoC NOFO.
 - o By approximately February 19, 2026, HUD will close the application window.
 - o Recipients awarded in FY24 may resubmit their FY24 application for renewal, planning, or Unified Funding Agency costs. NOFO Sec. I.A.3.b at 4–5.

- ☐ Application and Submission Information: HUD will accept eligible renewal project applications, YHDP renewal and replacement applications, and CoC reallocations to create new projects as described in the FY24-25 CoC NOFO.
 - o By approximately February 19, 2026, HUD will close the application window.
 - o Recipients awarded in FY24 may resubmit their FY24 application for renewal, planning, or Unified Funding Agency costs. NOFO Sec. I.A.3.b at 4–5.

DATE: January 6, 2026

**JOINT MOTION FOR AN EXTENSION OF TIME TO
NOTIFY RECIPIENTS OF RENEWAL STEPS**

In these two related cases, the Court by written order on December 23, 2025, required Defendants to “inform recipients” within fourteen days of the order “of any steps they must take in order for eligible renewals” under the FY2024-2025 HUD Continuum of Care Notice of Funding Opportunity “to be processed” and to “promptly file a notice confirming such communications were made.” Order at 3, *State of Washington et al. v. HUD*, 25-cv-626 [hereinafter “*State Litigation*”], ECF No. 68; Order at 3, *National Alliance to End Homelessness, et al. v. HUD*, 25-cv-636 [hereinafter “*NAEH Litigation*”], ECF No. 52 (collectively “PI Order”). That notice to recipients is thus currently due by January 6, 2026. *See* PI Order at 3.

The parties have conferred regarding the Implementation Plan filed in this case, *NAEH Litigation*, ECF No. 58-1; *State Litigation*, ECF No. 74-1, and the parties anticipate revisions to that plan based on these conferrals. The parties have also conferred regarding the substance of the forthcoming notice to recipients, and Defendants will share a draft of that notice with Plaintiffs by noon today. To allow Plaintiffs time to review that draft and for the parties to further confer over the content and form of that notice, if necessary, the parties request that the Court extend the time to inform recipients of the steps they must take for eligible renewals to be processed to January 8, 2026. Good cause exists because such an extension may permit the parties to come to an agreement on the language necessary to include in Defendants’ notice without seeking this Court’s intervention.

Respectfully submitted,
BRETT A. SHUMATE
Assistant Attorney General
Civil Division

RE: Renewal of CHDO Certification

Dear Anisa,

Please find enclosed the application for renewal of the CHDO certification for Ithaca Neighborhood Housing Services, Inc. (INHS).

INHS is a 501(c)(3) organization dedicated to expanding housing opportunities for low- and moderate-income residents of Cayuga, Chemung, Cortland, Schuyler, Seneca, Tioga, and Tompkins Counties. It seeks to foster communities that embrace diversity, equity, and sustainability in ways that produce lasting outcomes.

The organization has not changed its by-laws, IRS status, or Articles of Incorporation, and therefore did not include them with the supporting documents.

If you have any questions about the application or require additional information, please contact me directly.

Sincerely,

Lynn C. Truame
Director of Real Estate Development

108 East Green Street
Ithaca, New York 14850
(607) 274-6559

To: IURA Board & Committees
CC: Nels Bohn, Community Development Director; Charles Pyott, Contracts Monitor
From: Anisa Mendizabal, Community Development Planner
Re: CHDO as a CBDO – INHS Designation
Date: February 9, 2026

I. CHDO Checklist

The Checklist below indicates the documentation that INHS has provided to evidence its ability to act as a Community Housing Development Organization (CHDO).

IURA Staff reviewed the documents and has determined they meet CHDO Standards.

I. LEGAL STATUS

A. The nonprofit organization is organized under State or local laws, as evidenced by:

_____ **A Charter, OR**

__X__ **Articles of Incorporation.**

B. No part of its net earnings inure to the benefit of any member, founder, contributor, or individual, as evidenced by:

_____ **A Charter, OR**

__X__ **Articles of Incorporation.**

C. Has a tax exemption ruling from the Internal Revenue Service (IRS) under Section 501(c) of the Internal Revenue Code of 1986, as evidenced by:

__X__ **A 501(c) Certificate from the IRS.**

D. Has among its purposes the provision of decent housing that is affordable to low- and moderate-income people, as evidenced by a statement in the organization's:

_____ **Charter,**

__X__ **Articles of Incorporation,**

_____ **By-laws, OR**

_____ **Resolutions.**

_____ **A HUD approved audit summary**

II. CAPACITY

A. Conforms to the financial accountability standards of Attachment F of OMB Circular A-110, "Standards for Financial Management Systems," as evidenced by:

☒ A notarized statement by the president or chief financial officer of the organization;

☐ A certification from a Certified Public Accountant; OR

☐ A HUD approved audit summary.

B. Has a demonstrated capacity for carrying out activities assisted with HOME funds, as evidenced by:

☒ Resumes and/or statements that describe the experience of key staff members who have successfully completed projects similar to those to be assisted with HOME funds, OR

☐ Contract(s) with consulting firms or individuals who have housing experience similar to projects to be assisted with HOME funds to train appropriate key staff of the organization.

C. Has a history of serving the community where housing to be assisted with HOME funds will be used, as evidenced by:

☒ Statement that documents at least one year of experience in serving the community, OR

☐ For newly created organizations formed by local churches, service, or community organizations, a statement that documents that its parent organization has at least one year of experience in serving the community.

(continued on next page)

III. ORGANIZATIONAL STRUCTURE

- A. Maintains at least one-third of its governing board's membership for residents of low-income neighborhoods, other low-income community residents, or elected representatives of low-income neighborhood organizations, as evidenced by the organization's:

☒ By-Laws,
☐ Charter, OR
☐ Articles of Incorporation.

Under the HOME Program, for urban areas, the term "community" is defined as one or several neighborhoods, a city, county, or metropolitan area. For rural areas, "community" is defined as one or several neighborhoods, a town, village, county, or multi-county area (but not the whole state).

- B. Provides a formal process for low-income, program beneficiaries to advise the organization in all of its decisions regarding the design, siting, development, and management of all HOME-assisted affordable housing projects, as evidenced by:

☐ The organization's By-laws,
☒ Resolutions, OR
☐ A written statement of operating procedures approved by the governing body.

IV. RELATIONSHIP WITH FOR-PROFIT ENTITIES

- A. CHDO is not controlled, nor receives directions from individuals or entities seeking profit from the organization, as evidenced by:

☒ The organization's By-laws, OR
☐ A Memorandum of Understanding (MOU).

- B. A CHDO may be sponsored or created by a for-profit entity, however: Not applicable

- (1) The for-profit entity's primary purpose does not include the development or management of housing, as evidenced by:

☐ The for-profit organization's By-laws

AND;

- (2) The CHDO is free to contract for goods and services from vendor(s) of its own choosing, as evidenced by the CHDO's:

☐ By-Laws,
☐ Charter, OR
☐ Articles of Incorporation.

II. CHDO Board Composition Requirements

CHDO designation requires 33% of the applicant organization's board members to meet one of three qualifying criteria (discussed in depth in Section III, below). INHS's amended by-laws (2021) state that its Board is to be comprised of *up to* 15 members. There are currently 11 INHS Board Members. For the purposes of calculation, we divide 100% by the existing number of board members (11). Each member constitutes 9% of the Board.

To meet the 33% threshold of CHDO-qualified board members, INHS needs at least four (4) members to be able to self-certify in one of the three CHDO board composition categories. Seven (7) of INHS's Board Members were identified as qualified in one of the categories. Of the number, all seven (7) live in Ithaca/Tompkins County. IURA Staff verified that five (5) of the INHS Board Members live in an LMI neighborhood inside of the City. (See further explanation in Section III). These members constitute 45% of the board, exceeding the 33% test. Another member who lives outside of Ithaca but inside of Tompkins County, meets the "other Low-Income Community Resident" threshold. (The seventh member no longer lives in an LMI neighborhood, according to HUD data). With six members qualifying, 54% of the INHS Board qualifies.

III. CDBO vs. CHDO Board Composition Requirements

- A. HUD's Board Composition requirements for Community-Based Development Organizations (CBDOs) and Community Housing Development Organizations (CHDOs) are similar but not the same. Both types of designation require that the organization serve an LMI community (-ies). Both require organizations to demonstrate that a certain portion of their board has personal or professional ties to the community being served-- for a CBDO, at least 51% of board members must qualify under the self-certification standards whereas for a CHDO, at least 33% is required. The self-certification criteria for the two designations have key differences, which are summarized in the chart below.

CBDO Board Composition	CHDO Board Composition
A - LMI Resident of Service Area [Individual]	A - Resident of LMI ¹ Neighborhood ²
B - Business Owner/Sr. Officer of Institution in Service Area	B - Other Low-Income Community Member
C - Representative of an LMI Neighborhood Org	C - Elected ³ Rep of LMI Neighborhood Assn [requires election]

¹ Note that in this category, the board member themselves is not required to *be* LMI, only to *reside* in a majority-LMI neighborhood.

² If the CHDO serves a rural area, the "neighborhood" could be outside PJ or Tompkins County. The application needs to be sure to obtain the Income Limits documentation appropriate each certifying board member's residential neighborhood.

- B. Another difference between the two designations is that the service area for a CBDO is generally contained within the Participating Jurisdiction, while HUD guidelines allow for CHDOs to have a broader reach, especially if the CHDO serves a rural area. Therefore, a rural CHDO may draw board members from a multi-county service area.

Under the HOME program, for urban areas, the term "community" is defined as one or several neighborhoods, a city, county, or metropolitan area. For rural areas, "community" is defined as one or several neighborhoods, a town, village, county, or multi-county area (but not the whole state).

- CPD Notice 97-11: Guidance on CHDOs under the HOME Program (supersedes CPD Notice 94-02)

- C. These factors have an implication for the IURA CHDO/CBDO Review Process.
1. IURA has had a practice of certifying our CHDO specifically for the PJ's service area (City of Ithaca).
 2. IURA will continue to attempt to reach the certification threshold by analyzing the qualifying criteria of board members whose self-certification involves Ithaca (the PJ).
 - a. If the threshold for certification is not met after analyzing Ithaca-centered board members, qualifications of board members living outside the PJ will be analyzed.
 - b. The complexity of documenting and qualifying board members outside of the PJ (and, next level, Tompkins County) contributes to IURA's rationale for this method.
 - i. Income Qualification: The City of Ithaca's HUD Income Limits = Tompkins County's Income Limits (they are the same). INHS has board members living outside of Tompkins County. They will need to provide proof they qualify in their appropriate City/County.
 - ii. Link to HUD Income Limits:
<https://www.huduser.gov/portal/datasets/il.html>
 - iii. LMI Neighborhoods: Similarly, board members seeking to qualify as a Resident of an LMI neighborhood will need to provide proof to us via HUD census or HUD's Low- and Moderate-Income Area Data Mapping Application.
 - iv. Link to LMI Area Mapping Application⁴:
<https://hud.maps.arcgis.com/home/item.html?id=279eca0222754f8a954bbf8cf995a1a3#overview>

³ CHDO's "elected" representative is higher bar than the CBDO standard, which does not specify that the representative be elected.

⁴ HUD indicates there was an October 18, 2024 update to this map which uses 2026-2020 data.

IV. Substantial Similarity: A Regulatory Pathway for Certifying a CHDO as a CBDO

- A. 24 CFR 570.204 – Special Activities by Community-Based Development Organizations (CBDOs) **paragraph (c)(1)** describes the general process by which community organizations may be designated a CBDO, a process familiar to IURA’s Neighborhood Investment Committee and Board.
- B. Paragraph (c)(2) and (3) describe other pathways for designation as a CBDO. These paragraphs are included below, with emphasis added to facilitate discussion.
- (2) A CBDO that does not meet the criteria in [paragraph \(c\)\(1\)](#) of this section may also qualify as an eligible entity under this section if it meets one of the following requirements:
- (i) Is an entity organized pursuant to section 301(d) of the [Small Business Investment Act of 1958 \(15 U.S.C. 681\(d\)\)](#), including those which are profit making; or
- (ii) Is an SBA approved Section 501 State Development Company or Section 502 Local Development Company, or an SBA Certified Section 503 Company under the [Small Business Investment Act of 1958](#), as amended; or
- (iii) Is a Community Housing Development Organization (CHDO) under [24 CFR 92.2](#), designated as a CHDO by the HOME Investment Partnerships program participating jurisdiction, with a geographic area of operation *of no more than one neighborhood, and has received HOME funds under [24 CFR 92.300](#) or is expected to receive HOME funds as described in and documented in accordance with [24 CFR 92.300\(e\)](#).*
- (3) A CBDO that does not qualify under paragraph (c)(1) or (2) of this section may also be determined to qualify as an eligible entity under this section if the [recipient](#) demonstrates to the satisfaction of HUD, through the provision of information regarding the organization’s charter and by-laws, that the organization is sufficiently similar in purpose, function, and scope to those entities qualifying under paragraph (c)(1) or (2) of this section.**
- [[60 FR 1944](#), Jan. 5, 1995, as amended at [71 FR 30035](#), May 24, 2006; [81 FR 92636](#), Dec. 20, 2016]
- C. IURA Staff have analyzed INHS’ application and documentation and have determined that INHS does qualify as a CHDO. However, INHS’s service area is now larger than that described at (c)(2)(iii).
- INHS was founded in Ithaca and has served Ithaca as a CHDO since Ithaca was designated an Entitlement Community in 2004.
 - INHS previously qualified as a CBDO.
 - IURA Staff have determined that through review of its charter and by-laws that it is sufficiently similar in purpose, function, and scope to a CBDO.

- d. IURA Staff has provided the above information to HUD for input since 2023.

Proposed Resolution
IURA Neighborhood Investment Committee
February 12, 2026

2025 Designation of Ithaca Neighborhood Housing Services, Inc. (INHS)
as a Community Housing Development Organization (CHDO) and
as a Community Based Development Organization (CHDO)

WHEREAS, the Ithaca Urban Renewal Agency (IURA) has been designated by the City of Ithaca as the Lead Agency to develop, administer and implement the HUD Entitlement Grant program, including funds received through the HOME Investment Partnerships (HOME) program, and

WHEREAS, grant recipients under the HOME program are termed Participating Jurisdictions (PJs), and

WHEREAS, PJs must reserve not less than 15% of their HOME allocation for investment in housing to be developed, sponsored, or owned by Community Housing Development Organizations (CHDOs), and

WHEREAS, each PJ must annually identify CHDOs that are capable of carrying out projects to address priority housing needs identified in the Consolidated Plan, and

WHEREAS, a CHDO is a specific type of community-based non-profit organization as defined in 24 CFR §92.2, and

WHEREAS, on April 9, 2025, Ithaca Neighborhood Housing Services, Inc. (INHS) submitted materials documenting its qualifications and requested renewal of its designation as a CHDO by the IURA, and

WHEREAS, on February 9, 2026, IURA Staff completed a point-in-time review of said documents, and

WHEREAS, at its February 12, 2026 meeting, the Neighborhood Investment Committee of the Ithaca Urban Renewal Agency compared the submitted materials against CHDO criteria and recommends the following; now, therefore be it

RESOLVED, that the IURA, acting in its capacity as the Lead Agency for the Participating Jurisdiction of the City of Ithaca, hereby renews its designation of Ithaca Neighborhood Housing Services, Inc. as a CHDO for the 2025 Action Plan, and be it further

RESOLVED, that the IURA, acting in its capacity as the Lead Agency for the Participating Jurisdiction of the City of Ithaca, and pursuant to 24 CFR §570.204(c)(3) hereby renews its designation of Ithaca Neighborhood Housing Services, Inc. as a Community Based Development Organization (CBDO) for the 2025 Action Plan, pending input from HUD.
