Teen Program Coordinator

As the GIAC Teen Program Coordinator, my primary goal is to develop programs that are exciting, engaging, and educational for participants aged 14 to 24. To do this effectively, I dedicate a lot of time to research and groundwork, including school visits, cultural education, and staying current with the interests and trends among today's teens. Many of my mornings from Monday through Friday are spent in meetings—building partnerships, securing sponsors for various program ideas, and supporting students at schools with academic, social, or personal challenges.

Once I create a program, I focus on recruiting teens to participate and take on leadership roles within the activities. I handle all aspects of promotion, including social media management, outreach, and highlighting the programs. I also teach and facilitate these programs, ensuring they run smoothly.

A significant part of my role involves planning a variety of programs to fill entire weeks, often involving different groups of teens. Additionally, I organize periodic trips, which require creating detailed itineraries, attending as a lead staff member and driver, and recruiting teens to join these outings.

Another important aspect of my position is organizing special events. I create engaging, themed events throughout the year that serve as community gatherings—events that my team and the teens host and enjoy together.

Recreation Program Coordinator

As the Recreation Program Coordinator, I develop fun and dynamic sports programs for teens and young adults. A large portion of my time is dedicated to promoting these programs, managing registrations, and finding innovative ways to ensure every participant, regardless of their circumstances, has the opportunity to join.

I handle all aspects of the programs—from graphic design for promotional materials and setting up the registration websites to filming videos, taking pictures, editing footage, and managing social media pages.

Current programs include the Rashad Richardson Summer Basketball League, the GRC Firebirds Travel Basketball Program, the Immortal Wolfpack Travel Basketball Program, and the Gorges Games 3-on-3 Annual Event.

Travel basketball involves a lot of weekend trips to various cities for basketball events. I drive a group of participants to these events and am responsible for arranging lodging, meals, and other accommodations.

Under my role as Rec Coordinator, I also organize family trips to major events such as NBA and NFL games, stage plays, and other community outings.

Summers

During the summer, I serve as the lead trainer for the Prince Jakim & Dominique Summer Basketball Camp. I design a six-week, full-day training schedule—from 8 a.m. to 3 p.m., five days a week—for 30 campers ranging from third to sixth grade. My role involves teaching them fundamental basketball skills and supervising four seasonal part-time staff and three youth staff.

In the evenings, I take on the role of director for the Rashad Richardson Summer Basketball League and the GRC Rec League (an adult summer league). These leagues run five nights a week, from 5 p.m. to 9 p.m. I create game schedules, secure team sponsors, handle graphic design and promotions, and supervise three additional seasonal staff.

Supervision

I directly supervise and mentor, three (3) Teen Program full-time roster staff and several season staff and interns.

I directly supervise and mentor, two (2) roster staff for the Recreation Program as well as six-eight part-time/seasonal staff and interns

This supervision includes reviewing and approving their program plans, timesheets, travel plans, permission slips, etc. Brainstorming program ideas, managing conflicts, and generally ensuring that staff are following policies and procedures and keeping daily programs fresh, engaging and inviting for teens and athletes.

I also provide direct supervision over the GIAC Recreation Center and the GIAC outdoor basketball court to ensure that participants and visitors are respecting the spaces, keeping them clean and functioning well.

Financial Responsibilities

Part of my responsibilities include getting sponsorships for all the teams that play in our leagues and with our traveling basketball programs.

I write grants to support teen and rec activities, carefully manage those grants, and prepare required reports.

Develop and submit budget proposals for equipment and new programs to GIAC Administrators to help find funding for these items.

Agency-wide Responsibilities

Fliers, marketing materials, social media items, photography and videography
