9:00 Project: 309 College Avenue Apartments

Location: 309 College Avenue

Applicant: Nick Robertson

Anticipated Board Action(s) in March: CEQR Review- Design Review/Community Character/Historic

Project Description: The applicant proposes to demolish an existing 1-story fire station and construct a new 8-story 55,000 SF mixed-use apartment building with 77 units and ground story 1500 SF retail space. The project is located in the MU2 and will not require any variances. It is subject to Collegetown Design Guidelines. This has been determined to be a Type 1 Action under the City of Ithaca Environmental Quality Review Ordinance §176-4 B(1)(k) & (l), and the State Environmental Quality Review Act ("SEQRA") §617.4 (11) and is subject to environmental review.

Project materials are available for download from the City website and are updated regularly:
