

In-Person Hybrid Meetings: The IURA no longer conducts Public Meetings exclusively remotely. Meetings must be conducted in person, complying with NYS Open Meeting Law, which applies to all IURA Board and Committees. Members of the public who would like to deliver VERBAL comments at a meeting (3-min. max.) are *strongly encouraged* to do so using the Zoom link and log-in credentials listed on the agenda, although they are welcome to do so in person at City Hall. WRITTEN public comments may be submitted before the meeting, using the instructions listed on the agenda. Pls. refer to the [IURA Public In-Person/Hybrid Meetings Policy](#) for more detailed information and further instructions. LIVE-STREAM VIDEO: A *non-interactive* YouTube live-stream of the meeting can also be viewed at: https://www.youtube.com/channel/UC7RtJN1P_RFaFW2IVCnTrDg. Because of a slight delay in launching the live-stream, the video may begin a few minutes before the meeting is formally convened.

IURA ECONOMIC DEVELOPMENT COMMITTEE (EDC)

3:30 P.M., Tuesday, April 14, 2026

Common Council Chambers, Third Floor

108 E. Green St., Ithaca, NY 14850

IN-PERSON/HYBRID MEETING

Join Zoom Meeting:	https://us02web.zoom.us/j/89042784433?pwd=Wmlqd2FHQUZVdHE0cEJXMUUhOSTVpUT09

I. Call to Order

II. Agenda Additions/Deletions

III. Public Comments (3 min. max.)

IV. Review of Meeting Minutes: March 10, 2026

V. New Business

A. Common Council-Adopted City Policy Priorities - review

VI. Other/Old Business

A. Development of 2026 HUD Entitlement Program Action Plan

1. FY26 HUD funding allocation – Report
2. Excerpt from 3/26/26 draft IURA minutes public hearing/Q&A on ED projects - Review
3. IURA Neighborhood Investment Committee recommendation – Review Matrix
4. EDC recommendation – Possible Resolution

B. Draft Revision to the Density District Priority Business Loan Program (to be distributed separately) - Review

C. Staff Report

D. Next Meeting Date: Tuesday, May 12, 2026

VII. Adjournment

PUBLIC COMMENTS: WRITTEN public comments may be e-mailed until 12:00 p.m., the day of the meeting to: cpyott@cityofithaca.org. Members of the public who would prefer to deliver VERBAL comments at the meeting (3-min. max.) should either appear in person or use above Zoom link and log-in credentials (for video) or dial-in number and log-in credentials (for telephone).

If you have a disability and require accommodation in order to fully participate, please contact the CITY OF ITHACA CLERK'S OFFICE at 274-6570 at least 72 hours prior to the meeting.

DRAFT MEETING MINUTES
ITHACA URBAN RENEWAL AGENCY
Economic Development Committee (EDC)
3:30 P.M., Tuesday, March 10th, 2026
Common Council Chambers, 108 E. Green St., Ithaca, NY 14850

IN-PERSON/HYBRID MEETING

Present: Leslie Ackerman, Vice-Chair; Donna Fleming; Derek Adams; Robert G. Cantelmo (Mayor), Chair
Excused: Chuck Schwerin
Vacancies: 0
Staff: Nels Bohn; Charles Pyott [virtual]
Guests: None.

I. Call to Order

Cantelmo called the meeting to order at 3:31 P.M.

II. Agenda Additions/Deletions

None.

III. Public Comments (3-minute max. per person)

None.

IV. Review of Meeting Minutes: February 10th, 2026

Ackerman moved, seconded by Fleming, to approve the minutes with no modifications.

Carried Unanimously: 4-0

V. New Business

A. 2026 HUD Entitlement Program Review

Bohn explained that all the recent funding applications may be reviewed via the IURA home page:

www.ithacaURA.org. Bohn noted:

- The City received requests totaling ~\$1.4 million, but only anticipates having ~\$900,000 available.
- There are 19 applications, split across two Public Hearing sessions.

B. Review of Economic Development Funding Applications & Questions for Public Hearing

Bohn explained the IURA received the following two Economic Development applications in 2026, which the Committee should review and discuss in preparation for the March 26th IURA Board Public Hearing:

- Application #7, Finger Lakes ReUse, Inc., [Coordinated Pathways to Permanent Local Employment](#)
- Application #8, GIAC, Inc., [Hospitality Employment Training Program \(HETP\)](#)

The Committee discussed:

- Historical performance vs. stated goals.
- Budget clarity, especially GIAC's budget and City funding commitments.
- Use and purpose of participant stipends.
- Differences in program models and participant barriers.
- Concerns about inflated or unrealistic job-placement goals compared to actual outcomes.
- Challenge involved with comparing different programs with different structures (e.g., paid work experience vs. coaching/support).

Committee members observed:

- Some programs repeatedly do not meet their job-placement targets.
- More realistic goal-setting would help to align expectations and funding decisions.
- Interest in benchmarking similar programs in other municipalities, though data is hard to obtain.
- Recognition that both programs serve individuals with significant employment barriers, complicating comparisons.

Hospitality Employment Training Program (HETP), GIAC, Inc.

- \$51,142 is listed as secured funding from the City on the budget page, while the funding commitment letter from the City's Acting Controller indicates the adopted 2026 City budget allocates \$206,142 to HETP, which includes program expenses including staff and fringe. GIAC should be asked for clarification.
- The Uses and Sources table appears to suggest the total proposed program cost is \$206,142, using the following anticipated funding sources:

\$5,000	United Way of Tompkins County
\$51,142	City of Ithaca
\$50,000	Strategic Tourism Planning Board
<u>\$100,000</u>	Community Development Block Grant (CDBG) Program
\$206,142	

GIAC should clarify whether: (1) the City Controller's letter is supposed to document that the \$51,142 funding commitment has been secured by the City for a \$206,142 project; or that (2) the City has committed \$206,142 to HETP in the adopted 2026 City budget.

GIAC should also be asked to clarify which types of project expenses fall within the following budget lines (including examples of eligible expenses): (1) stipends and internships; and (2) participant costs (barrier support).

Coordinated Pathways to Permanent Local Employment, Finger Lakes ReUse, Inc.

Historic outcome reporting over the past decade shows actual job placement generally falls short of the job placement goal for the program. FLRU should be asked if its 2026 goal of 10 job placements is genuinely realistic.

Questions for Both Applicants:

- “Since your job-placement program has been operating for many years, do you have information about the long-term impacts of the program on prior participants in terms of their economic well-being and stability? Are there other documented long-term community benefits resulting from the program beyond initial job-placement (e.g., reduced need for public assistance, heightened community engagement, completion of further education)?”
- “What have you found are important elements and best practices for a successful job-placement program? Do you know of similar programs in other communities to benchmark your program against?”

VI. Old/Other Business

A. Staff Report

Bohn reported all loan repayments are current as of today. He added the IURA has expended a significant amount of CDBG funding over the past couple of months, which is encouraging, in terms of meeting the June 1st CDBG spend-down requirement.

Bohn noted the new IURA Accountant has been hired as an independent contractor and will be starting this week.

B. Executive Session to Discuss Proposed Acquisition, Sale, or Lease of Real Property

Fleming moved, Adams seconded, to open the Executive Session. No objections were raised.

— EXECUTIVE SESSION —

No action was taken during the Executive Session.

VII. Adjournment

The meeting was adjourned by consensus at 4:22 P.M.

— END —

CITY OF ITHACA

108 East Green Street, Ithaca, New York 14850-6590

Mayor's Office
Shaniqua Lewis, Deputy City Clerk

MEMORANDUM

TO: Common Council

FROM: Mayor Robert Cantelmo & Acting City Manager, Dominick Recckio

DATE: April 8, 2026

RE: City Policy Priorities

ITEM #: 5.6

Resolution Establishing City Policy Priorities for Executive Administration 2026.

ATTACHMENTS:

[CC-Master_Priorities_Resolution_Finalized.pdf](#)

Resolution Establishing City Policy Priorities for Executive Administration 2026

WHEREAS, the City of Ithaca operates under a Mayor-Council-Manager form of government, in which the city manager serves as the responsible party for the daily administration of government and the policies and directives of the mayor and Common Council; and

WHEREAS, on September 3, 2025 the Common Council adopted the vision statements and strategic goals drafted by the Mayor's advisory committees on legislative policy (Appendix A); and

WHEREAS, the Mayor was charged by Council to work with the administration to develop and bring forward draft proposals, amendments to existing laws, and policy briefings for consideration of the Common Council that reflects said adopted findings; and

WHEREAS, on December 3, 2025 the Mayor designated and Council affirmed that Deputy City Manager Recckio as Acting City Manager effective January 1, 2026 and charged the Acting City Manager to "deliver and implement, in consultation with the mayor, a 2026 Executive Workplan for Common Council's legislative priorities and direction, aligning departmental goals, identifying responsible staff and timelines. After approval by Common Council, the acting city manager shall provide quarterly administrative performance reports summarizing departmental outcomes, project milestones, and progress toward legislative objectives;" and

WHEREAS, Council committed, in that authorizing resolution, to adopting policy priorities to guide the 2026 Executive Workplan no later than February 2026, but required additional time to confer, deliberate, and prioritize; and

WHEREAS, the Mayoral advisory groups have circulated memoranda to relevant city departments and received their feedback about bandwidth, achievability, and scope; and

WHEREAS, the Mayor has refined the items within each advisory memo in consultation with the Acting City Manager to ensure they are Specific, Measurable, Achievable, Relevant, and Time-bound for 2026 and, as appropriate, the 2027 budgeting process; now therefore be it

RESOLVED, that the Acting City Manager will take all appropriate steps to implement and administer the policy goals of the City of Ithaca stated in this resolution; and be it further

RESOLVED, that the Acting City Manager, in consultation with the Mayor, will develop, deliver, and implement, after adoption by the Common Council, an executive workplan with quarterly quantitative and qualitative performance updates, pursuant to the procedures and requirements outlined in "Resolution of the Common Council of the City of Ithaca Establishing Oversight and Performance Reporting Protocols for the Acting City Manager" (December 3, 2025); and be it further

RESOLVED, that the executive workplan shall be structured to include, for each priority in this resolution, Specific, Measurable, Achievable, Relevant, and Time-bound goals; quarterly milestones; the lead department or responsible official; and performance measures for outputs and policy outcomes that can be objectively evaluated and transparently tracked by the Mayor, Common Council, and the public, and that quarterly performance updates shall identify progress made, missed milestones, reasons for delay, and corrective actions, and any policy or resource decisions needed from the Mayor or Common Council; and be it further

RESOLVED, that progress toward the goals and milestones contained in the executive workplan and quarterly performance updates shall inform the Mayor and Common Council's ongoing evaluation of administrative performance and progress toward adopted legislative priorities; and be it further

RESOLVED, that this resolution take effect upon adoption; and be it finally

RESOLVED, that the Mayor and Common Council adopt the following legislative priorities for 2026-2027:::

A. Housing

- a. It is the policy of the City to establish a citywide policy requiring minimum residential densities of 20 dwelling units per acre in designated urban core areas and 10 dwelling units per acre in urban edge areas. These density targets may be implemented through, without limitation, zoning amendments, code modifications, and planning documents to support housing affordability, sustainability, and long-term growth. This policy is consistent with the 2015 Comprehensive Plan¹ and supersedes any conflicting prior policy guidance.
- b. Request that the Zoning Advisory Committee recommend to the Mayor and Common Council a comprehensive zoning reform package to modernize land use regulations in alignment with adopted housing, equity, and sustainability goals to promote density goals, middle housing, by-right development, parking mandate reform or abolition, and affordable housing and cooperative ownership incentives.
- c. Prepare and submit for the consideration of the Mayor and Common Council Objective Design Standards and associated administrative reforms that shift residential and mixed-use development toward predictable, ministerial approval processes and limit discretionary review processes and establish predictable timelines.

B. Economic & Community Development

- a. It is the policy of the City to advance focused planning and coordination efforts to support revitalization of the West MLK Street Corridor, including assessment of land use conditions, infrastructure needs, business mix, and barriers to reinvestment. Emphasize community engagement, alignment with housing and transportation initiatives, and identification of near-term public actions that can catalyze private and nonprofit investment; and
- b. Prepare and submit for the consideration of the Mayor and Common Council code modernization and streamlining efforts to reduce barriers to business formation, expansion, and redevelopment, particularly for small businesses, locally owned enterprises, and neighborhood-level commercial nodes.
- c. Prepare and submit for the consideration of the Mayor and Common Council a plan and associated costs to develop a comprehensive, regularly updated economic data dashboard for City policymakers to track local economic conditions, performance trends, and equity outcomes. The dashboard should integrate indicators such as employment and wages, business activity, commercial vacancy, housing affordability, tax base trends, and neighborhood-level investment, and be designed to inform policy decisions, budget deliberations, and program evaluation.

C. Public Works & Operations

- a. It is the policy of the City to strengthen coordination between Public Works capital planning and citywide housing, sustainability, and accessibility objectives, including alignment of street, utility, and right-of-way investments with development activity, climate resilience priorities, ADA compliance, and long-range land use plans.
- b. Advance flood mitigation actions to protect city neighborhoods impacted by the revised FEMA flood maps. Prepare and submit for the consideration of the Mayor and Common Council any legislation, capital investments, or administrative actions necessary to support this infrastructure and public safety priority.
- c. Prepare and submit for the consideration of the Mayor and Common Council a comprehensive, long-range Facilities Master Plan addressing the condition, capacity, location, and future needs of City-owned facilities, to inform capital planning, budget decisions, facilities maintenance, workforce needs, and service delivery over the next decade.

D. Finance & Administration

¹ See page 37 of the Plan Ithaca, citing low-density residential at 10 dwelling units per acre, medium-density between 10-20 dwelling units per acre, and higher-density residential as significantly more.

- a. It is the policy of the City to advance a coordinated effort to bring financial records, reconciliations, and supporting documentation into a consistent, auditable state for fiscal years 2022 through 2025. Fully implement the City’s Corrective Action Plan from the most recent NYS Audit.
- b. Implement Council policies adopted in November 2025 requiring permanent (1) general fund balance policy; and (2) debt reduction, BAN conversion, and equipment replacement strategies.
- c. Prepare and submit for the consideration of the Mayor and Common Council a plan and associated costs to develop performance-informed budgeting frameworks and long-range capital planning for 2028 budget cycle and beyond.

E. Sustainability, Adaptability, and Resilience

- a. It is the policy of the City to support implementation of the City’s adopted Climate Action Plan by having staff prepare and submit for the consideration of the Mayor and Common Council appropriate legislation or strategies , focusing on the domains of housing, labor, public health, racial equity, power reliability, and emergency response.
- b. Prepare and submit for the consideration of the Mayor and Common Council a capital project budget that complies with adopted Justice50 policy.

F. Human Services and Quality of Life

- a. It is the policy of the City to promote participatory programs, community-driven planning efforts, and support for civic infrastructure that fosters trust, engagement, and shared stewardship of public spaces.
- b. Prepare and submit for the consideration of the Mayor and Common Council the establishment of a standalone Parks Department or improved operational plan to improve central planning, service delivery, maintenance standards, and community outcomes related to parks and public space.

G. Public Safety

- a. It is the policy of the to stabilize and fully staff all public safety-oriented positions within City government. Efforts to implement this policy should include preparation and submission for the consideration of the Mayor and Common Council operational and budgetary plans, and should include, including targeted recruitment, retention, and training strategies. Emphasis should be placed on restoring minimum staffing levels necessary to maintain service reliability, responder safety, and community trust.
- b. Evaluate the first-year of “ROOTS” implementation and prepare and submit to the Mayor and Common Council operational or policy adjustments in line with the local and national best practices emerging from Reimagining Public Safety efforts.

H. Intergovernmental Relations

- a. Pursuant to §C-11(A), support the Mayor in their duties and responsibilities for intergovernmental advocacy and representation around efforts to secure operational and capital grant funding, public and private economic investment, and advocacy for such federal, state, or regional policies or regulatory actions that they may deem appropriate or the Council may direct them to pursue.
- b. Prepare and submit for the consideration of the Mayor and Common Council such intergovernmental MOUs, contracts, or service sharing agreements that will benefit the residents of the City of Ithaca.

Appendix A

Adopted September 3, 2025

Housing

Kayla Matos, Ducson Nguyen, Tiffany Kumar, Clyde Lederman

Vision Statement

Ensure every Ithacan has access to safe, affordable, and dignified housing, while enabling smart, sustainable growth that strengthens neighborhoods and our local economy.

Strategic Goals

1. Add 4,300 new housing units by 2030, including 1,600 deeply affordable units and 900 new for-sale units to support pathways to ownership to address demand, reduce upward pressure on prices, and enable population and workforce growth.
2. Reduce housing cost burden by 10% citywide, focusing on renters and low-to-moderate income households, through expanded affordability tools, tenant protection measures, and housing supply interventions.
3. End unsheltered homelessness through a Housing First approach and the development of permanent supportive housing, in partnership with County and nonprofit providers.

Economic and Community Development

Kayla Matos, Kris Haines-Sharp, Patrick Kuehl, Margaret Fabrizio

Vision Statement

Advance a resilient, inclusive, and innovative-driven local economy that reflects community values – one grounded in broad-based ownership, quality employment, cultural vitality, and equitable opportunity. This vision will be realized through strategic land use, investment in sustainable infrastructure, and vibrant commercial corridors.

Strategic Goals

1. Double the City's GDP growth rate over five years through coordinated land use, infrastructure, and innovation investments.
2. Expand access to economic opportunity, especially for historically underrepresented and marginalized communities, through targeted workforce development, public-private partnerships, new business development support, code modernization and streamlining, and neighborhood-level investment.
3. Strengthen and diversify neighborhood commercial nodes and downtown through planning, capital investment, and small-scale manufacturing or green production zones.

Public Works and Operations

Ducson Nguyen, Kris Haines-Sharp, David Shapiro

Vision Statement

Deliver efficient, equitable, and climate-resilient public infrastructure and operations that enhance quality of life, support sustainable growth, and strengthen community trust between the community and local government. Through modernization and innovation, ensure that City services are responsive, future-ready, and inclusive of all residents.

Strategic Goals

1. Reinvest in and maintain critical infrastructure systems—including streets, water, sewer, and stormwater—to meet current and anticipated future demand. Reduce deferred maintenance, enhance reliability, and ensure systems are adaptable to climate change and population growth.
2. Improve operational efficiency through targeted investments in personnel, training, fleet modernization, technology upgrades, and integrated data systems. Embed equity and accountability into operational practices to ensure consistent, high-quality service and communication across all neighborhoods.

3. Coordinate infrastructure and capital planning with citywide sustainability, accessibility, and housing objectives. Strengthen interdepartmental collaboration, integrate community input, and use capital investments as tools to advance long-term priorities.

Finance

David Shapiro, Tiffany Kumar, Clyde Lederman

Vision Statement

Promote a stable, transparent, and forward-looking fiscal foundation that sustains core services, enables strategic investment, and ensures equitable resource allocation across the community.

Strategic Goals

1. Maintain long-term structural balance and proactively pursue financial resilience while keeping annual tax levy increases within the State tax cap.
2. Expand non-property tax revenue through economic growth, external partnerships, and innovation in service delivery.
3. Improve transparency, equity, and performance in budgeting through participatory processes, performance metrics, and long-term financial planning, policies, and forecasting.

Public Safety

Phoebe Brown, Ducson Nguyen, Tiffany Kumar

Vision Statement

Advance a holistic, equitable, and community-centered public safety system that prioritizes prevention, trust-building, and well-coordinated emergency response.

Strategic Goals

1. Expand and institutionalize unarmed and community-based crisis response as a complement to traditional policing.
2. Strengthen coordination and communication among police, fire, EMS, and mental health responders to ensure effective, equitable, and timely emergency responses.
3. Build trust and accountability through proactive engagement, transparency, and recruitment strategies that reflect the values and diversity of our community.

Sustainability, Adaptability, and Resilience

Kris Haines-Sharp, David Shapiro, Pierre Saint-Perez, Patrick Kuehl

Vision Statement

Build a just, climate-resilient, and regenerative future by embedding sustainability, adaptability, and resilience into all aspects of City planning, policy, and operations. Create systems that not only mitigate environmental harm but actively restore ecological health, protect vulnerable populations, and position the community to thrive amid a changing climate and evolving economic landscape.

Strategic Goals

1. Advance emissions reductions across buildings, transportation, and infrastructure in alignment with the Ithaca Green New Deal, state climate targets, and global best practices. Leverage partnerships, policies, and investments to scale impact quickly and equitably.
2. Strengthen the community's capacity to withstand and recover from climate-related shocks, including extreme weather, energy disruptions, and threats to food and water security. Prioritize support for vulnerable populations and neighborhoods most at risk.
3. Embed sustainability, adaptation, and equity into municipal budgeting, capital planning, procurement, land use, and departmental decision-making. Develop consistent frameworks and accountability tools to ensure climate goals are reflected in City operations and long-term strategies.

Human Services and Quality of Life

Kayla Matos, Phoebe Brown, Patrick Kuehl, Margaret Fabrizio

Vision Statement

Promote a healthy, inclusive, and vibrant community where every resident has equitable access to opportunities, services, and spaces that support physical, mental, and social well-being.

Strategic Goals

1. Increase access to culturally competent mental health, addiction, and wellness resources through community-based initiatives, partnerships, and advocacy with Federal, State, and local governments.
2. Expand access to quality-of-life infrastructure, including parks, public spaces, and libraries, particularly for underserved neighborhoods, working families, retirees, and youth.
3. Strengthen neighborhood resilience and social connection through community-building, participatory programs, and investment in civic infrastructure.

Intergovernmental Relations

Pierre Saint-Perez, Margaret Fabrizio, Clyde Lederman

Vision Statement

Strengthen the City's relationships with County, regional, state, and federal partners to improve service delivery, secure external funding, and advance shared priorities for the greater Ithaca community.

Strategic Goals

1. Deepen alignment, communication, collaboration with elected leaders and administration officials across Tompkins County to support and coordinate service delivery, leverage shared infrastructure, and reduce duplication.
2. Position the City to effectively compete for state and federal funding by prioritizing grant readiness, strategic partnerships, and proactive advocacy.
3. Advance collaboration, shared identity, and operational efficiencies through strategic partnership with the Town of Ithaca, including existing and expanded shared services, coordinated planning, and long-term governance alignment to improve outcomes for all Ithacans.

ASSISTANT SECRETARY FOR
COMMUNITY PLANNING AND DEVELOPMENT

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-7000

April 6, 2026

Honorable Robert G. Cantelmo
Mayor of Ithaca
City Hall
108 East Street
Ithaca, NY 14850

Dear Mayor Cantelmo,

Secretary Scott Turner is committed to improving housing opportunities, reducing regulations to lower housing cost, and expanding housing supply for hardworking Americans. The nationwide shortage of rental and owner-occupied properties and the current rate of construction have not kept pace with the demand. This lack of adequate housing supply leads to higher prices for renters and homebuyers alike, forcing some into homelessness and preventing countless Americans from becoming homeowners. Across the country, partnerships between public and private sectors are providing millions of Americans an opportunity to get ahead. HUD is determined to continue its collaboration with you so programs are responsibly utilized and can spark additional leveraging and partnerships to address the nation's housing challenges.

As authorized by the Consolidated Appropriations Act (Public Law 119-75) on February 3, 2026, I am honored and excited to announce that your jurisdiction is receiving the following Fiscal Year 2026 allocations for the identified programs:

Community Development Block Grant (CDBG) \$715,084.00

HOME Investment Partnerships Program (HOME) \$286,155.57

Emergency Solutions Grants (ESG) \$ 0.00

Housing Opportunities for Persons With AIDS (HOPWA) \$ 0.00

Recovery Housing Program (RHP) \$ 0.00

In addition, your jurisdiction's CDBG allocation for this year provides you with \$3,575,420.00 in available Section 108 loan guarantee borrowing authority. Section 108 permits you to borrow up to five times of your current CDBG allocation. This loan allows jurisdictions to maximize access to low-interest capital, and provide long-term financing to invest in Opportunity Zones, or further address gap financing for big projects that you envision for your community.

As you are finalizing your Annual Action Plans or Consolidated Plans that are due for submission to our office by August 16, 2026, please be reminded that it is important to align with

applicable laws and executive orders. If you or any member of your staff have questions, please do not hesitate to contact your local HUD Field Office in Ithaca, NY or CPDGDAS@hud.gov.

Thank you for your interest in CPD programs and for ensuring that these dollars are responsibly achieving outcomes as intended by law. When people have a safe and stable place to call home, they can focus on contributing to the economy and be productive members of their respective communities.

Sincerely,

A handwritten signature in black ink, reading "Ronald J. Kurtz". The signature is written in a cursive style with a horizontal line underneath the name.

Ronald J. Kurtz
Assistant Secretary
for Community Planning and Development

108 E. Green St.
Ithaca, NY 14850
(607) 274-6565

DRAFT MINUTES

ITHACA URBAN RENEWAL AGENCY BOARD

1:00 P.M., Friday, March 26, 2026

Common Council Chambers, Third Floor (City Hall)

108 E. Green St., Ithaca, NY 14850

IN-PERSON/HYBRID MEETING

Members: Robert Cantelmo (Mayor), Chair; Karl Graham, Vice-Chair; Shaianne Osterreich; Donna Fleming
Excused: None.
Vacancies: 1
IURA Staff: Nels Bohn; Anisa Mendizabal; Charles Pyott [virtual]
Guests: None.

I. Call to Order

Chair Cantelmo called the meeting to order at 1:03 P.M.

II. Agenda Additions/Deletions

None.

III. 2025 HUD Entitlement Grant Action Plan

A. Review of Public Hearing Format

Mendizabal explained the details of the Public Hearing format, noting that IURA staff anticipates availability of \$845,833 in Community Development Block Grant (CDBG) Program funds (including \$160,000 in Program Income) and \$232,000 in HOME Investment Partnerships Program (HOME) funds. Today's meeting will include formal presentations for 8 of the 19 applications received.

- The hearing is part of a competitive funding process for approximately \$1 million in anticipated HUD-related funding, including CDBG and HOME funds (final allocations pending HUD confirmation).
- 19 project applications were submitted, requesting roughly \$1.6 million, exceeding available funds.
- Presentations will be structured with 8 minutes for presenters and 4 minutes for questions from the Board.
- Public commenters will be allotted 3 minutes each.

The chart of all the applications received can be found on the following page:

B. Disclosure of Any Potential Conflicts of Interest

None.

C. PUBLIC HEARING #1 (Part 2)

On a motion by Osterreich, seconded by Fleming, and unanimously approved, Chair Cantelmo reopened the Public Hearing.

Public Comments

Mendizabal provided the following summary of Public Comments received:

Verbal Comment Received: Five total: Four (4) supporting Project #10 - Floral Avenue Pedestrian & Cycling Safety; one (1) opposing part of Project #2 – Henry St. John Residential Renovations. Verbal comment summaries include an approximate time stamp from the recording of this hearing, which is available at the [City of Ithaca's Public Meetings YouTube channel \(IURA Playlist\)](#).

Written Comment Received: Fifteen total: (14) supporting Floral Avenue; one (1) supporting ADA Improvements.

Craig Byle, City of Ithaca resident and Henry St. John Building tenant, spoke regarding the proposed renovation project affecting the building. Byle emphasized the increasing scarcity of three-bedroom rental units in Ithaca and expressed concern that converting existing units into smaller apartments would reduce housing diversity and negatively impact quality of life. He noted that his apartment is in strong condition and that subdividing existing units could diminish livability. Byle also raised questions regarding the transition to all-electric systems, specifically whether utility costs would be passed on to tenants, and whether projections adequately account for the building's high ceilings and increased heating demand. Byle suggested alternative approaches, including utilizing rooftop space for solar installations or shared gardens, and urged the Board to consider preserving the building's existing character and larger unit sizes.

— ECONOMIC DEVELOPMENT APPLICATIONS —

1. [APPLICATION #7: COORDINATED PATHWAYS TO PERMANENT LOCAL EMPLOYMENT — FINGER LAKES ReUse, INC. \(FLRU\)](#)

Speaker	Affiliation	Comments-in-Brief
Diane Cohen	Finger Lakes ReUse, Inc. (FLRU)	Cohen reviewed FLRU's long-standing partnership with Tompkins County and described the organization's continued growth in donated materials, staffing needs, and workforce development programming. She highlighted the opening of the Cayuga ReUse Center and facility improvements at the Ithaca ReUse Center.
Caren Castleman	Finger Lakes ReUse, Inc. (FLRU)	Castleman described the ReSET (ReUse Skills & Employment) workforce development program, which serves adults facing barriers to employment. The proposal seeks partial funding to support

Speaker	Affiliation	Comments-in-Brief
		training 15 participants and place 10 into permanent employment. Castleman explained merchandise sales cover approximately 70% of trainee wages, with CDBG funds supporting the remainder. Reduced funding would directly affect the number of trainees served.
Erin Fierst	Finger Lakes ReUse, Inc. (FLRU)	
Asia Kanzler	Finger Lakes ReUse, Inc. (FLRU)	Kanzler shared her personal experience as a ReSET participant, describing how access to affordable technology- and job-training led to IT certification and long-term employment. She emphasized the program's role in providing stability, technical skills, and career advancement opportunities for individuals facing economic hardship.

Q&A

Cantelmo asked about the cost-per-job and noted there has historically been frequent misalignment between grantees' job-placement targets and actual outcomes. FLRU's cost-per-job is \$6,500, which is very good, but Cantelmo would like some assurance FLRU's anticipated job-placement targets are realistic. Cohen replied FLRU has historically operated the program with just one workforce coordinator, but FLRU has now doubled its capacity. Both rising local interest in the program and the program team's innate competence/skill-set informed the job-placement target calculation. The program also benefits from a long waiting list. She feels very confident in the accuracy of the job-placement target.

Graham asked what happens with clients who are not placed in jobs. Cohen replied there is a whole range of program participants, due to widely varying life circumstances, so it is inevitable some participants will not be placed. Fierst replied it is a challenge to place everyone in a job, but FLRU does maintain positive, permanent connections with its former clients.

2. APPLICATION #8: HOSPITALITY EMPLOYMENT TRAINING PROGRAM (HETP) — GREATER ITHACA ACTIVITIES CENTER (GIAC)

Speaker	Affiliation	Comments-in-Brief
Lonnie Jenkins	Greater Ithaca Activities Center (GIAC)	Jenkins described HETP's role as a long-standing job-readiness and workforce training program, emphasizing individualized coaching, internships, and wraparound support services. He discussed funding sources, including City funding and other grants, and addressed questions regarding budget allocations reflected in City financial documents. Jenkins explained that stipends are <i>milestone-based</i> and tied to program participation, while internships provide paid,

Speaker	Affiliation	Comments-in-Brief
		on-the-job training opportunities with partner organizations. The program also integrates financial literacy, sustainability, and life skills training.

Q&A

Osterreich asked for clarification regarding stipends and internships, including budgeted amounts and milestone requirements. Jenkins explained stipends are governed by eligibility thresholds; they are not automatic upon enrollment.

Graham asked about stipend structure and milestones tied to classroom participation. Jenkins clarified that stipends require completion of a defined number of program hours and activities.

3. [APPLICATION #14: IMPROVING ESSENTIAL LOW-COST TRANSPORTATION ACCESS — ITHACA BIKESHARE](#)

Speaker	Affiliation	Comments-in-Brief
Laura Vineyard	Ithaca Bikeshare	Vineyard described Ithaca Bikeshare as a key component of the local multimodal transportation network, providing 24/7 access to over 200 pedal-assisted e-bikes. She emphasized its role in supporting access to employment, groceries, healthcare, and other essential services, particularly for residents without access to personal vehicles. She noted system usage exceeds typical benchmarks, with trips per vehicle (TPV) per day ranging from 1.3 to 2.2 (depending on the season), suggesting continued unmet local demand. The proposal requests funding to purchase 12 additional e-bikes and 8 batteries to improve system availability and reduce wear on existing equipment. Vineyard addressed questions regarding service to low- and moderate-income (LMI) populations, explaining that expanding overall fleet availability directly benefits Easy Access members, who receive 60 minutes of free ride-time daily and account for approximately 25% of daily trips. She noted that strategies to rebalance the geographic configuration of bicycles could be tailored to prioritize key LMI service locations.
Jeff Goodmark	DropMobility.com	Goodmark explained the bikes are purpose-built for shared use, including UL (Underwriters Laboratories) certified batteries, modular components, and integrated GPS and locking systems. Batteries are charged and swapped in the field to maximize uptime. He noted most

IURA Neighborhood Investment Committee Recommended 2026 HUD Entitlement Program (City of Ithaca, NY)

Draft Proposed 2026 Amendments to the IURA Economic Development Financing Policy

9.4 Ithaca Density District Priority Business Loan Program

(a) Objective. Induce the creation and start-up and expansion of specific priority business enterprises that have been defined by the community as highly desirable and/or enterprises that substantially increase foot traffic thereby strengthening the real estate market in the Density District to support businesses that provide daily goods and services to local residents. The program intends to meet this objective through direct financing to businesses with the understanding that attracting such business enterprises is likely to require stronger incentives than are available from other private or public sources and are likely to involve higher than normal risk and flexible lending policies to accomplish its objective. To support a vibrant, welcoming, and diversified walkable commercial district, the program provides direct financing to induce creation, retention, and expansion of the following categories of commercial enterprises:

- Retail
- Arts and entertainment
- Destination food and beverage
- Arts and entertainment
- Destination food and beverage
- Small-scale manufacturing
- Businesses owned and operated by under-represented groups, including minority- and women-owned businesses
- Succession of legacy businesses
- Other uses that contribute to vibrant and welcoming walkable commercial corridors

(a)

(b) **Eligible Borrowers.** Both for-profit and nonprofit entities legally established to conduct business in New York State.

(c) **Eligible Projects.** Projects that advance the program's objective are eligible for loan assistance through this program. The IURA has identified the following list of priority businesses desired in the density district:

- ~~pharmacy;~~
- ~~family shoe store;~~

- ~~family apparel retail;~~
- ~~groceries;~~
- ~~unrepresented restaurants;~~
- ~~under-represented medical practitioners, such as family medicine, general internal medicine, pediatrics and/or adolescent medicine offices, obstetrician/gynecologist, geriatrician and alternative medical practitioners;~~
- ~~business owned and operated by underrepresented groups, including a minority-owned business;~~
- ~~tourist attractions (Wine Center, Museum Store);~~
- ~~brewpub;~~
- ~~live entertainment venues (jazz, comedy, performing arts);~~
- ~~businesses that primarily provide essential goods and services, such as evening drop-in childcare, that will be readily available in the greater downtown neighborhood; and~~
- ~~any other business that directly supports a Common Council-endorsed strategic plan that is targeted for, or includes, the density district, and enhances the urban core, as determined by the IURA.~~

~~Only projects that qualify under the above list are eligible for this loan program.~~

- (d) Eligible Uses of Loan Funds. Funds may be used for any justifiable business purpose including, but not limited to, fixed assets, current assets including inventory and accounts receivable, permanent working capital, acquisition of land and/or buildings, and for costs related to micro-enterprise start-ups.
- (e) Use of funds by nonprofit borrowers is limited to commercial or industrial improvements, including acquisition, construction, rehabilitation, reconstruction, or installation of commercial or industrial buildings or structures and other related real property equipment and improvements (Note: working capital and inventory uses are not eligible).
- (f) Target Area. Projects must be located within the "Density District" within the City of Ithaca (see Exhibit G), or any successor area within the City of Ithaca eligible for temporary tax abatement assistance through the Tompkins County Industrial Development Agency.
- (g) Job Creation. At least one FTE job for every \$35,000.00 of loan assistance.

- (h) CDBG National Objective Test. Either low/mod jobs benefit - 51% of all jobs created must be held by, or made available to, LMI persons, or a neighborhood business serving a predominantly LMI neighborhood.
- (i) Maximum Amount of Financing. \$250,000.00, generally not to exceed 60% of project cost, nor more than the minimum amount necessary to effect the business activity after maximizing other private and public sources of debt and equity or finding that such other sources are inappropriate, unaffordable, or otherwise unavailable.
- (j) Term. Not to exceed 10 years, unless secured with real property.
- (k) Interest Rate. Transaction specific depending on need and risk, may range from 0% to the 10-year US Treasury rate.
- (l) Repayment. Repayment terms shall be transaction specific. Projects shall be underwritten to fully repay the IURA loan.
- (m) Security/Collateral. Collateral to secure the loan shall be transaction specific; no minimum loan-to-value standard is required and security may be limited to a first or second lien position on inventory and furnishings, fixtures and equipment or other satisfactory collateral.
